

Looking for healthy, protein-rich items to add to your child's lunch?

Beef Sticks

- created using real tender beef, wood- smoked and aged to perfection
- created using a blend of finely ground black pepper, garlic and paprika
- mild or hot flavours available

Beef Jerky

- created using high quality thinly sliced beef, which is lightly seasoned and then made ready for the smokehouse
- removed from the smokehouse and taken to the drying room to be dried to perfection
- offers similar vitamin, nutrient and mineral content as other cuts of red meat, with the added benefit of containing reduced fat
- regular and honey-pepper flavours available

Landjaeger

- a pork based, smoked meat snack
- lighter in colour than traditional beef sticks, and has a distinct rectangular shape
- wood-smoked in pairs and dried to give it a very special flavour
- created using a blend of fine black pepper, whole mustard seeds and a touch of garlic

Gypsy Chubs

- created using fine ground pork
- seasoned with white pepper and garlic
- wood smoked and air dried
- mild and hot flavours available
